## THE NEXT ANNUAL CONFERENCE, 1923

The 45th Annual Conference of the American Library Association will be held in Hot Springs, Arkansas, April 23 to 28, 1923. The Eastman Hotel will be headquarters, and the meetings will be held in this hotel and in other buildings nearby. General sessions will be held in a theatre which is a short block from the Eastman Hotel.

The Eastman Hotel can accommodate seven or eight hundred librarians, as all, or nearly all other guests will have departed before our conference begins. (The hotel closes on May 1st.) The Arlington, about three blocks away, is under the same management as the Eastman, and will be able to take care of perhaps two or three hundred delegates. Other hotels are available within easy walking distance of the Eastman—several within two or three blocks.

The Eastman, Arlington and most of the other hotels are operated on the European plan. Rates will be attractive, and meals served in the hotel or in restaurants nearby will be at reasonable prices.

Hot Springs is reached by way of Memphis and St. Louis from the east, southeast and northeast; by way of Kansas City from the northwest; by way of Oklahoma City from the west; and there are direct lines from south and southwestern points.

The Hot Springs National Park in which the city is situated is an attractive place at any time of the year. It is said to be particularly attractive about the time that our meeting is scheduled. The Eastman Hotel has large lobbies, spacious verandas and a beautiful lawn. Although it is situated in the
